## CODE OF STUDENT CONDUCT PROHIBITS SEXUAL HARASSMENT

On June 3, 1994, The Ohio State University Board of Trustees approved changes in the Code of Student Conduct concerning Sexual Harassment. It states that "Sexual harassment is prohibited. Sexual harassment is any unwelcome sexual advance, request for sexual favor, reference to gender or sexual orientation, or other physical or verbal conduct of a sexual nature where:

- 1) Submission to or rejection of such conduct is used either explicitly or implicitly as a basis for any decision affecting terms or conditions of an individual's employment, participation in any program or activity, or status in an academic course; or
- 2) Such conduct has the effect of unreasonably interfering with an individual's work performance or educational experience, or creates an intimidating, hostile, or offensive environment for working, learning, or living on campus, and has no legitimate relationship to the subject matter of a course. Further details and information concerning procedures for reporting incidents of possible sexual harassment may be obtained from the Community Development and Student Judicial Affairs Office, 2050 Drake Union (5-2-0748 from campus phone) or see Jan Johnson, PS/Adm. 208, or Ext. 436.

The Lima Technical College has a similar policy on Sexual Harassment. If any LTC student has a concern or a complaint, please see Dr. William Hussey, at Ext.316, or in the Public Services Building, Room 220.
